Dear MUN-Directors of OLMUN 2022,

This guide shall help you along the application process to OLMUN 2022.

In order to apply as a MUN-Director or a Delegation, please do the following steps explained on the next pages. Notice that website pictures are old, but the application progress is the same. Therefore, the adaptations in light of the COVID-19-pandemic are not displayed there. Please state your preference whether your group would like to participate in-person if possible or online. For any further information regarding deadlines or our plans for the conference in light of the pandemic, check the News Section on our website for updates.

Please make sure that all information is entered correctly as we cannot not filter spelling mistakes for all about 500 participants of OLMUN 2022.

For all MUN-Directors that search for the possibility to choose „bus tickets“: Bus tickets will be available to choose from the beginning of March in the shop section. Please notice that Bus tickets are not included in the conference fee. ***They cost 12€/Person for the entire conference (4 days).***

ATTENTION: Our Housing-Programme is for international participants only!

In case of any questions or errors, please contact application@olmun.org.

Sincerely yours,

A handwritten signature in blue ink that reads "J. Heykants". The signature is written in a cursive, slightly slanted style.

Welcome

...to the Oldenburg Model United Nations official webpage!

Dear visitor and esteemed delegates,

It is a delight to announce and extend an invitation to the 16th annual session of Oldenburg Model United Nations, OLMUN 2016. More than 700 school delegates from Germany, Poland, USA, Turkey and other countries come to Oldenburg each summer to address and discuss global issues on eight selected committees of the United Nations in the context of worldwide challenges.

The conference is scheduled to take place from June 14-17, 2016 and promises to be an amazing week full of captivating debates, fruitful resolutions and plenty of fun.

For more than a decade OLMUN has offered the opportunity to the world's students to benefit from an experience of unique education in politics, elocution and comprehension of foreign affairs. During the OLMUN's week the delegates of the various committees face global challenges. By representing their assigned nation and its position the students bring international problems to life and possess the chance to resolve these concerned issues with their own resolutions.

OLMUN has distinguished itself as the largest MUN in Germany and therefore arouses considerable public interest every year which proves its cross-cultural competence, innovation and overall quality.

The Security Council at OLMUN in particular forces the delegates to improvise and cogitate on their feet since it features an integrated crisis simulation. This consequently makes the delegates work as one team due to the simulated urgent need to solve the demanding and international problem.

The OLMUN philosophy therefore strongly focuses on current affairs and realism so that the conference itself presents an accurate reflection of the global situation which underlines the utmost urgency of resourceful solutions.

So if you are interested in the concept of a Model UN Conference and how we give the participating students a one of a kind life experience in diplomatic proceedings and an insight view into the UN, feel free to review this website, and contact us for further information.

We appreciate your time and attention and are looking forward to seeing you in June!

Verify your students!

Step 1

The MUN-Director has logged in again. Now that Erika Mustermann has applied as a sample Delegate for your school, you have to verify the applied delegates (red box).

In case the applied delegate is not part of your delegation, please press the red x, otherwise verify the student.

Allocate your students!

available as soon as the countries are allocated

Step 1

In your MUN-Portal navigation-point „Delegates“ you will find a list of verified delegates.

AS SOON AS THE COUNTRIES ARE ASSIGNED TO THE SCHOOLS, YOU CAN ALLOCATE YOUR STUDENTS TO THE ASSIGNED DELEGATIONS HERE.

If your student can not participate anymore, please delete by pressing the red x.

Your student has forgotten about the housing-checkbox/visa-checkbox? No problem, you can change the housing-status/visa-status for your delegate. (possible later) (He can change it at MUN Portal -> MyProfile)

Step 3

Immediately after choosing the delegation you will need to choose the committee the delegate shall be in. You need to choose both Delegation and Committee at a time, otherwise it will not be saved. I.e. if you try to only allocate the delegation to a delegate, but without a committee, the drop-down list will always turn back to blank.
