Foreword

Dear Delegates, MUN Directors and other participants,

Welcome to the Application Guide of the Oldenburg Model United Nations!

This manual will help you to better understand our application process and delegation assignment.

In order to apply, please follow the steps mentioned in this guide and complete them before the deadlines.

Although everything should work properly on mobile devices, we recommend using a desktop device with a larger display.

We improve this guide continuously. Please make sure to use the up to date version of this guide. The version number of this guide can be found on page two as well as in the file name. To view the most recent version go to <https://www.olmun.org/Downloads/This+-year%27s+conference/>.

If you have any further questions or if there is anything unclear in this guide, we would appreciate if you could send an email to application@olmun.org explaining your issue. Most likely there is somebody else with the same issue and we do not necessarily notice the issue ourself.

On behalf of the Secretariat,

Yours sincerely,

Philipp Bruhns
Secretary General

Chapter I - General Process

Please note that all user accounts get deleted after the conference and before the application start of the next conference.

1. School Application

There is no direct option to apply as a school. When applying as an MUN-Director an applicant may choose the option to 'Add a new school' in the school selection.

2. MUN-Director Application

MUN-Director is our title for teachers, group leaders or the responsible person for a group of Delegates or Staff members. There can be multiple MUN-Directors per school. MUN-Directors:

1. Receive updates by us via email.
2. Can add a new school if it has not been added yet.
3. Manage and verify Delegates and Staff from their school.
4. Fill in the Final Information in which they provide delegation preferences and the final number of participants (Staff excluded).
5. Assign delegations to verified Delegates based on delegations assigned to their school.
6. Receive and pay the invoice.

3. Delegate Application

Most of our participants are Delegates. They will be assigned a country and committee and represent their assigned country in the assigned committee. Delegates:

1. Apply after their MUN-Director has added their school.
2. Get verified by their MUN-Directors.
3. Get a delegation and committee assigned by their MUN-Director.
4. Receive further information by their Chairs or Presidents.
5. Prepare for the conference.

4. Staff Application

1. Before an application as Staff is possible, the MUN-Director of a school needs to send an email to application@olmun.org to enable Staff applications for their school. Most of our Staff is from schools located in Oldenburg. Therefore, Staff application is not enabled by default.
2. Apply after their MUN-Director has added their school and Staff application has been enabled.
3. Get verified by their MUN-Directors.
4. Receive further information by the Chief of Staff.

5. Chair Application

Chair applications usually open in November and end in December. There is a Chair application form upload to our website but you do not apply on the website itself. More information can be found in the mentioned form. Follow our Instagram account [@olmun_official](https://www.instagram.com/olmun_official) to get notified when our Chair applications open.

Chairs need to register on our website as well to receive badges, certificates etc.. See Inner Circle application. Chair applications for OLMUN 2024 are closed.

6. Inner Circle and Student Officer Application

You cannot apply as a member of the Inner Circle (IC) or a Student Officer position online. You need to be present at Inner Circle meetings in Oldenburg. Student Officer positions are elected out of the ranks of the IC. To join the IC please follow our Instagram account [@olmun_official](https://www.instagram.com/olmun_official) to get notified when the first and second IC meetings are.

8. Verifying Staff by clicking on the green tick will list him/her in your Staff list. They will also be listed for our Chief of Staff who will contact your Staff prior to the conference.
9. If the applicant is not from your school, clicking the red cross will remove the applicant from your verification view. **Warning:** There is no option to revoke this action on your site nor a confirmation needed.
 - a) After removing an applicant their school entry will be removed.
 - b) Their account will not be deleted, please do not create a second account.
 - c) **If this action was unintended**, please ask the applicant to log into their account and change their school entry to your school once again. The applicant will reappear on your verification page. In case any issues occur, please send an email to application@olmun.org and provide the Delegates' names you wish to restore as well as your school's name.

4. Final Information

The 'Final Information' represents the last step to complete your schools application. You will need to provide the final number of Delegates and MUN-Directors your school will participate with as well as 10 country preferences based on our Delegation Overview.

It is recommended that you complete the following on a desktop computer and not on your mobile phone.

Once available, you will get a new option:
olmun.org -> log into an MUN-Director account ->
'MUN Portal' -> 'Final Information'.

II MUN-Director Application & School Management

The 'Final Information' needs to be submitted by March 15th, 2024. You will be prompted with three different types of information requests we need to complete your school's application.

1. *Final number of Delegates*
Please enter the final number of Delegates your school will participate with. You cannot change the amount of Delegates afterwards.
2. *Final Number of teachers*
Please enter the final number of teachers, also known as MUN-Directors, your school will participate with. You cannot change the amount of MUN-Directors afterwards.
3. *Your preferred delegations*
 - a) Available delegations (countries and all of their seats in the committees) are listed in our [Delegation Overview](#). Please choose ten countries listed that you and your students would like to represent during the conference. All options you are able to choose in the drop-down-menu are available.
 - b) You need to choose ten countries ranked from highest (1.) to lowest priority (10.) - you will not be able to submit the form with less than 10 chosen countries.
 - c) We try to assign full delegations to schools, but for reasons like delegation sizes and Delegate numbers of schools not matching or some countries like the USA listed in almost every preference list, this will not always be possible.
 - d) Delegations and seats will be assigned after the initial deadline for the 'Final Information'. Submitting the 'Final Information' after the initial deadline will lead to fewer countries being available and possibly none at all. This late submission may be possible due to an extension of the deadline.
4. Write down your data somewhere else. Sadly, you will not receive a verification with your data directly after submitting. If you are unsure about your info you may always send a request to application@olmun.org.

II MUN-Director Application & School Management

5. What happens next?

- a) **Any changes after submitting the 'Final Information' need to be requested by sending an email to application@olmun.org and cannot be guaranteed.**
- b) We will charge you based on your provided numbers, after your school's application has been accepted and only the provided amount of applicants we will be granted access to the conference after the bill has been paid.
- c) Do not forget to provide signed Terms and Conditions via email by the given deadline.
- d) Make sure that all of your delegates are registered on our website and that they are verified by you.
- e) Your school will receive delegations/seats after your school's application has been accepted. See the next chapter.

5. Assigning Delegations

After submitting the Final Information and after the given deadline we will assign delegations to your school which you need to assign to your Delegates.

You should have received an email by the Presidency stating assigned countries and assigned committees.

You will be presented a view similar to this one. Of your list should contain more Delegates than mine. Every verified Delegate will be listed here.

The 'H' stands for 'Housing needed?'. Please check if the provided information is correct for every Delegate of yours.

The 'V' stands for 'Visa needed?'. Please check if the provided information is correct for every Delegate of yours.

Also it may seem like you can change the entries, you cannot. Please ask your Delegates to log into their account and to change the information or contact an admin via application@olmun.org.

5.2. Assigning Delegations

Click on 'Click here to select'. A selection listing the countries assigned appears. **Please not that your school may not have been assigned all seats of these countries.** It is possible that your school has been assigned the USA and their seats in committees A and B whereas another school has been assigned the USA with committees C and D. Please check this before telling your Delegates you have been assigned the USA and allowing them to choose from committees A-D and noticing afterwards you cannot assign committees C and D.

Name	Delegation	Committee
Demo Delegate	<div>✓ ----- Afghanistan Albania</div>	

After selecting the Delegation of a Delegate, a new selection option in the 'Committee' column appears:

Name	Delegation	Committee

If you click on the selection you will be shown a list of all the committees available for the selected Delegation and your school:

Name	Delegation	Committee
Demo Delegate	Afghanistan	<div>✓ ----- GA1st GA3rd</div>

Please note that fully assigned delegations will not be shown in the delegation selection. Assigned combinations of delegations and committees will not be shown in the committee selection with the corresponding delegation selected.

There will be a deadline set for the assignment. Afterwards delegations and committees will be assigned randomly and cannot be changed.

Once the assignment is complete, our Chairs will send introductory emails to the Delegates of their committees. The committee guides will be uploaded on our website (download section),

6. Staff

For younger and inexperienced students (or those interested in the positions) OLMUN offers Staff positions. There are various types of Staff. For more information on the specifics of each Staff type, please contact our [Chief of Staff](#). Staff applications are disabled by default. Our Staff is involved in the setting up of our locations. Therefore we prefer local students. Please send an email to application@olmun.org to activate Staff applications for your school. We will activate Staff applications for schools located in Oldenburg as soon as we see their application. You need to verify your Staff after which they will be contacted by our Chief of Staff.

7. Bus Tickets

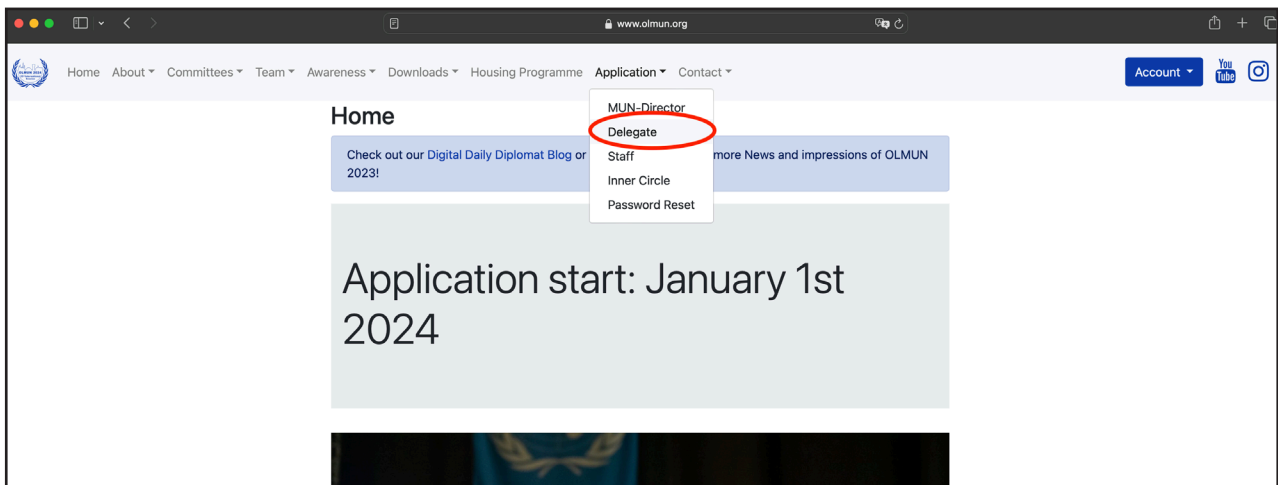

For participants living outside of Oldenburg, Oldenburg offers a good bus transportation system. OLMUN offers to buy tickets on requests. You can order bus tickets via olmun.org -> log into a MUN-Director account -> 'Shop' -> 'Bus-Tickets'. Please enter the needed amount. Unfortunately, our website does not show the ordered number nor a order verification. We are working on solving both issues. If you are unsure what you ordered please send an email to application@olmun.org. Any additional submission will override the previous one. Please note that we will close the bus ticket shop sometime before the conference. The exact date will be provided. A change is not possible anymore after the deadline.
